16th International Kuo Shu Cup 2016

Tournament information for Lei Tai Fights and Forms Divisions

Dear Martial Arts Friend,

Since 1996, we the **Chinese Kuoshu Institute** have organized tournaments in which everyone can participate, this year is no exception. We present the 16th International Kuo Shu Cup 2016.

We hope you can join us on **22. October 2016** in Neu-Ulm, Germany, where this year's event will take place. This will be a traditional Chinese Martial Arts and full contact Lei Tai fighting tournament.

We hope that many countries will support us in this undertaking. Our wish is to make a lot of new friends, see old friends and promote Chinese Kuo Shu (national art) all over the world. The tournament organizers reserve the right to prevent teams from participating in the tournament at registration.

Please send your registration by the 16. October 2016. After this date, the Internet Account/Registration Portal (www.wettkampf.org) will be closed and late registration will have an additional 10.- € fee for each event (only available for forms divisions, and not for light or full contact fighting). The organizer has the right to reject schools and federations from registration!

If you have any questions or need any additional information, please contact

Chinese Kuoshu Institute
